## Resumo

The abstract is limited to 50 words. This template provides authors with most of the formatting specifications needed for preparing electronic versions of their papers. Papers may be either in English or (Portuguese). All standard paper components have been specified, margins, column widths, line spacing, and type styles are built-in.

**Keywords:** **Keyword I;** **Keyword II.** (Include up to 3 keywords here.)

## 1 INTRODUCTION (INTRODUÇÃO)

The paper is limited up to 2 pages and should include an introduction with motivation and objectives, followed by the methods, partial results and conclusions. Examples of the type styles are provided throughout this document and are identified in italic type, within parentheses, following the example. Some components, such as multi-leveled equations, graphics, and tables are not prescribed, although the various table text styles are provided. The formatter will need to create these components, incorporating the applicable criteria that follow.

7C0	hexadecimal
3700	octal
